

## BILE - one gooey boy for a character based shooter.

Born of broken blood, Bile fights for the *Unseen*, an underground commune left forgotten by the rest of the country. Volunteering for an experiment gone wrong, his body has become malleable, absorbent, and self-regenerating. Once, he abhorred his transformation, but now he embraces his new found form as an invaluable weapon against the *Unseen's* would-be-advesaries. He fights for his son, and the community that rallied around him in his time of need.

SCENARIO	LINE
<i>Prerequisite</i>	<i>*action*</i>
	(Goo) implies replacing the phoenetics of the involved word with "goo".
MATCH START	Let's get (goo)ing. <i>*dad laugh*</i> Let's (goooooooooooooooooooooo)! Let's go. Thought I was gonna say goo, huh? (Goo)t ya! LET'S GET GOOEY! Limber up. Stick close. Hop to it.
DEATH	This again? Yep. That'll do it. Never ends. I'll be back. But not in like, a creepy way. You do know I regenerate, right? Ow.
VICTORY	I still count as the underdog, right? Unseen. Unheard. Unbound. Cheers for sticking around. Gotta have a cause. And stay out. BENDY BOY BRINGS IT HOME!

#### RESPAWN

*Death by headshot*

Head are not detachable. Heads. Are not. Detachable.  
Knees and shoulders, fingers, toes. Where's my nose!? Oh. There it is.  
Aight. No more puns. Promise I'll be good. (Goo)d. Sorry.  
Is that everything? Wouldn't wanna miss a pinkie again.  
Have another crack.  
Here we (goo) again.

#### RESURRECTED

Could've done it myself, but thanks.  
Ohhhhhhh. THAT'S what that feels like.  
Let's bounce back  
No time for jokes.  
Stick close this time.  
You'd think I'd be better at this by now.

#### KILL

Stay down please.  
No hard feelings.  
Get stuck.  
Stickler for stickin em.  
(Goo)ttem.  
I'm getting pretty (goo)d at this!
